Submitting New Strategic Goal Accomplishments

To submit an accomplishment for Vision 2018, perform the following steps in the LAS Strategic Goals application:

1. Click the link below to access the LAS Strategic Goals application: https://lascollege.depaul.edu/StrategicGoals

2. Login using your Campus Connect username and password.

3. The Submit an Accomplishment section is displayed. Your home department name is automatically displayed.

4. If you are submitting for another department (for example, if you are chair of a department other than your home department), you can change the department name by choosing another department from the Department drop-down list.
5. Select the time frame this accomplishment should be included within from the **Time Frame** drop-down list.

6. Select a goal from the **Goal** drop-down list based on which goal your accomplishment is aligned with.

7. Select an objective from the **Objective** drop-down list based on which objective your accomplishment is aligned with.

8. Enter a description of the accomplishment in the **Accomplishment** field.
**Note:** If you have multiple accomplishments for a single objective, please submit them separately rather than as a bullet-pointed list.

9. Click the **Submit Accomplishment** button to submit your department’s new accomplishment.
